

Plant Name	Cultivar	DESCRIPTION	size	Zone Hardy	Pot Size	Price
Agastache	Garden Leader Lavender	Very unique 8 to 10" blue-violet flower spikes, blooms mid-late summer. Fragrant foliage. Good cut flower & attracts butterflies & hummingbirds. Needs good drainage. Drought & heat tolerant.	38" X 24"		5 #1	5.99
Ajuga	Burgundy Glow	Beautiful tri-colored foliage, bright blue flowers. Good for edging/border & groundcover.	5-7"		3 #1	5.99
Alstroemeria	Jazze Deep Rose					
Alstroemeria	Jazze Purple Rose					
Alstroemeria	Jazze Rose Frost					
Anemone	Pasque Flower	3" Single star shape, shaded of purple or blue with yellow centers, early spring clumping alpine plant. Blooms May- June.	12"		4 #1	5.99
Angel Trumpet	Purple (Double)	Double purple and white bloom,			8"	5.99
Antennaria	Pussy Toes	1/4" blooms, closed pink daisy form. Spreading white hairy foliage. Blooms May-June.	3"		2 #1	5.99
Armeria	Mimisticks rose	Also known as Thrift. Evergreen grassy foliage with globe shaped pink clusters flowers in May-July.	8' x 9"-12"		3 #1	5.99
Artemesia	Silver Mound	A compact mounded plant. Fernlike, silver-gray foliage. Excellent in the rock garden or for edging. Extremely popular foliage plant	8"-10"		3 #1	5.99
Aruncus	Kneiffii	(Goats beard) Resembles Astilbe with the glossy fern-like foliage. Good for borders. Deer resistant. Fine feathery plumes of white. Shorter than most varieties.	24"		4 #1	7.99
Asclepias	Red Butterfly	Scarlet red buttons open to orange petal flower. Blooms June-August.	26"		4 #1	5.99
Asiatic Lily	Lollypop	These plants produce an abundance of richly- colored flowers that bloom in early summer. They return year after year.	26"		3 8"	6.99
Asiatic lily	Mount Dragon	Orange 16"- 18"			3 8"	6.99

Asiatic Lily	Mount Duckling	A bud count of 7 to 10 pink blooms.	18"	3 8"	6.99
Asiatic Lily	Orange Pixie	Bright orange, lightly spotted, very strong grower. These plants produce an abundance of richly-colored flowers in early summer. One of the bestsellers. They return year after year. Great for containers.	17"- 22"	3 8"	6.99
Asiatic Lily	Painted Pixie	Flowers that are butter yellow with dark red brush strokes. High bud count. These plants produce an abundance of richly- colored flowers that bloom in early summer. They return year after year.	24"	3 8"	6.99
Asiatic Lily	Partner	Clear red blooms. These plants produce an abundance or richly-colored flowers in early summer. They return year after year.	18"	3 8"	6.99
Asiatic Lily	Partner				6.99
Asiatic Lily	Petit Brigitte	high bud count, yellowe flowers in strong stems	24"	3 8"	6.99
Asiatic Lily	Reinesse	White	22"	3 8"	699
Asiatic Lily	Stargazer	Fragrant. Most popular lily worldwide.	24"- 32"	3 8"	6.99
Aster	Alert	Red blooms August-October for best flowering divide every other year.	12"- 15"	3 #1	5.99
Aster Stokes	Honeysong Purple	A true royal pruple with a hint of red that deepens as the flower ages. Contrasting white stems add to the appeal. Large 4" blooms have petals with pronounced serrated edges. Blooms in midsummer.	14"	5 #1	5.99
Astilbe	Elisabeth van Veen	Vibrant raspberry-lilac plumes. Mid-green foliage with a reddish tinge. Japonica group	24"	4 #1	5.99
Astilbe	Fanal	Deep blood red narrow spikes. The foliage in spring is mahogany in color turning green by summer. One of the most popular reds. Arendsii group	20"	4 #1	5.99
Astilbe	Glow	Very dark red budsopen to deep red flowers with rose highlilghts.Narrowly trianglar plumes are held upright. Leaves are bronzed in spring turning mid-green by summer. Arendsii group	30"	4 #1	5.99
Astilbe	Milk & Honey	Fragrant creamy white plumes turn light pink with age. Later blooming species extends garden bloom season. Rabbit & deer resistant.	30"	4 #1	5.99
Astilbe	Ostrich Plume	Many bright pink, open drooping panicles. Excellent near water features. Thunberii group	30"	4 #1	5.99

Astilbe	Purple Candles	Narrow dense, poker-like purplish-red plumes that soften as it ages. The boldest astilbe for overall garden effect. Very unique.	42"	4 #1	5.99
Astilbe	Taguetti	Thick lavender-rose plumes, crinkled bronze-green foliage. It is more heat & drought tolerant than most astilbe. Mid to late season bloomer.	36"	3 #1	5.99
Astilbe	Vision	Sweetly scented, dense diamond shaped raspberry-red plumes. Excellent plant especially for containers and the fragrant garden. A chinensis type with coarse ground hugging foliage.	12"- 24"	4 #1	5.99
Balloon Flower	Sentimental Blue	Buds resemble little balloons, open to starchy, bell-shaped clear blue flowers. Compact upright plants, branched stems. Blooms June-Aug.	8"-12"	4 #1	5.99
Bellis	Pacific Giant Mix	English Daisy. Semi-double pomponette flower shape with yellow heart. Uniform, compact habit. Spring flowering.	8"-10"	4 4"	3.25
Blackberry	Arapaho	Thornless and the fruit is short-conic, bright glossy black and firm. It has small seeds and it is one of the earliest ripening thornless to date.		#1	7.75
Bleeding Heart	King of Hearts	Finely cut soft grayish green foliage with rosy-pink heart shaped flowers all summer.	15"- 18"	3 #1	8.99
Bleeding Heart	Spectabilis	Blooms are drooping chains of pink hearts. Blooms in May-June. Foliage tends to go dormant in summer. Attracts hummingbirds & is good for cut flowers.	30"	3 #1	5.99
Blueberry	Blueray	An early mid season berry. The fruit is very large and firm. It produces an aromatic flavor good for pie and jam.		#1	8.99
Brunnera	Jack Frost	Frosty silver overlay with light green veinations, leaves resemble cracked porcelain. Blooms blue in spring.	12"- 15"	3 #1	8.99
Calla	Mango	red blooms	14-18"	8 8"	7.99
Calla	Rehmannii	Pink blooms	14-18"	8 8"	7.99
Calla Lily	Anneke	Purple	14-18"	8 8"	7.99
Calla Lily	Maroon Sensation	Maroon blooms	14-18"	8 8"	7.99
Campanula	Blue Clips	Light green leaves with large violet-blue cup-shaped flowers that bloom from early to late spring through early fall. Deadhead for continuous bloom. Attracts hummingbird.	8"	3 #1	5.99

Candytuft	Snowflake	Evergreen, groundcover with flat clusters of white flowers in late spring. Narrow evergreen foliage.	12"	3 #1	5.99
Clematis	Comtessa de Bourchard	Velvet rose-pink large flowers with yellow anthers. A profuse bloomer that blooms June-Sept. Prune hard in early spring. Clematis like to have their roots shaded.	8'-10'	4 #1	8.99
Clematis	Ernest Markham	Magenta-red large flower with gold anthers. Very vigorous grower, blooming July August and Sept. Prune in early spring. Shade the roots.	12'-16'	4 #1	8.99
Clematis	Jackmannii	Intense violet-purple blooms. Long lived, well established vines. Prune hard in early spring. Blooms June-Sept. 4"-5" flowers. A favorite variety since before the civil war.	10'-12'	4 #1	8.99
Clematis	Marie Boisselot	Very large pure white flowers with yellow anthers. Blooms June, July & Sept. Shade the roots.	grow to 12'	4 #1	8.99
Clematis	Nelly Moser	6"-8" light mauve with pink bars down the middle of each petal. Blooms May, June & Sept. No pruning. Must shade the roots.	10'-12'	4 #1	8.99
Clematis	Niobe	Velvety, dark, ruby-red 6"-8" flowers. Blooms June, Aug. & Sept. A true red. Keep roots shaded. Blooms on last years wood so prune dead material above new buds.	8'-12'	4 #1	8.99
Clematis	Pink Fantasy	Beautiful 4-5" pale pink flower with darker pink bar and very attractive dark anthers. Bloom late June thru September. A good repeat bloomer. Shade the roots.		4 #1	8.99
Clematis	Recta	Small, starry, fragrant, white flowers in clusters on the ends of stems. Blooms June and August. Prune hard in early spring. Shade the roots. Rambling, spreading, creeping mounds.	3'-5'	4 #1	8.99
Clematis	Romona	Lavender-blue flower with dark anthers. Blooms July, August and September. A vigorous grower. Blooms July- September. Shade the roots.		4 #1	8.99
Clematis	Sweet Autumn	Also known as Paniculata. Very vigorous grower with cluster of small very fragrant white flowers. Blooms Sept.-Oct. Prune hard. Must shade the roots.	8'-12'	4 #1	8.99
Clematis	The President	Deep purple with purple anthers 7"-8" flowers that blooms in June-Sept. Continuous bloomer and does not fade in the sun. Shade the roots	8'-10'	4 #1	8.99
Clematis	Will Goodwin	True blue with large overlapping petals & gold anthers. June through Sept. blooming. No pruning. Must shade the roots.	8'-12'	4 #1	8.99
Columbine	McKanna Giant	Large, showy flowers of many shades & colors with long spurs that are widely flared. Bloom in May-June & is a good cut flower. Attracts hummingbirds & butterflies	24"-30"	3 #1	5.99
Coneflower	Big Sky Sundown	Warm-orange flowers with brownish cone and a delightful fragrance. Vigorous grower that attracts butterflies and songbirds.	32-40"	4 #1	9.99

Coneflower	Big Sky Sunset	Vibrant coral petals tipped in pastel salmon droop from rust-colored cone. Bloom June thru Sept.	30"	5 #1	7.99
Coneflower	Pink Double Delight	(Echinacea) A true bright pink pom-pom like flowers. Long lasting blooms that attract butterflies and songbirds.	18-24"	5 #1	9.99
Coneflower	Primadonna Deep Rose	Deep rose daisy-like flowers. Thrives in hot sun.	32"- 36"	4 #1	5.99
Coneflower	Purple	Rosy-purple daisy-like flower blooms in mid-summer through fall. Tolerates heat drought and wind. A good cut flower.	24" x 18-24"	4 #1	5.99
Coneflower	Ovation	(Echinacea) A superb cut flower. Excellent plant habit and flower form. Easy to grow. Outstanding garden performance. Single 4 1/2" daisy, rose pink ray petal are spreading not drooping. Strong Cut flower stems.	30"	4 #1	5.99
Coral Bells	Bressingham Hybrids	A strong bloomer in colors of pink, coral red, or white. Rich green foliage.	24"- 30"	3 #1	5.99
Coral Bells	Purple Palace	Large bronze purple leaves hold their color through the summer and make an attractive 18 inch mound on this 1999 Perennial Plant of the Year. White flowers in June-Sept	18"- 20"	4 #1	5.99
Coral Bells	Silver Lode	Sturdy flower spikes rise above leaves. Pink buds open to creamy white. Foliage purple with clean silver overlay.	12"	4 #1	7.99
Coral Bells	Sparkling Burgundy	(Heuchera) Burgundy foliage glows all spring and summer then darkens in the fall. Clean white flowers.	12"	4 #1	9.99
Coreopsis	Baby Sun	Neat mounded habit with large single daisy yellow blooms with brown centers.	16"	3 #1	5.99
Coreopsis	Crème Brulee	Soft yellow flowers, bright green threadleaf foliage. Flowers all summer into fall. A vigorous grower. A moderate to hard cutback will promote re-flowering and a more compact habit.	16"- 20"	5 #1	5.99
Coreopsis	Moonbeam	Creamy yellow daisy-like flowers are produced throughout the summer above dark green, fine-textured leaves. The 1992 Perennial of the Year.	15"- 18"	3 #1	5.99
Coreopsis	Sweet Dreams	Petals are white tipped with a dark raspberry center that blooms all summer. Drought resistant.	18"- 24"	4 #1	5.99
Coreopsis	Heavens Gate	2" diameter pink flower with rose red shading around a gold center.	18"	5 #1	5.99
Crocsmia	Lucifer	Extremely hardy, produces beautiful flame-red flowers.	30-36"	5 #1	5.99

Dahlia	Bluesette	Looks like a mum that blooms all summer long.	24"	8 8"	5.99
Daisy (Shasta)	Becky	Flowers summer to fall if dead-headed. Large single white flower heads with yellow center are sturdy even after a hard rain. One of the best. 2003 Perennial Plant of the Year.	36"	4 #1	5.99
Daylily	Black-Eyed Susan	Butter yellow-gold with a red-purple eye-zone. Reblooms quite consistently.	26"	3 #1	7.99
Daylily	Eenie Weenie	Light yellow with green throat. Petal are lightly rippled on edges. Fantastic short daylily that usually repeat bloomer	12"	3 #1	7.99
Daylily	French Tudor	Huge, Rose-pink flowers of great form and substance, sculpted petals with a large pale pink eye, lemon watermark and green throat. Widely branched scapes are heavily budded. Attractive blue-green foliage.	28"	3 #1	7.99
Daylily	Happy Returns	Canary yellow blossoms with excellent growth habit. Consistently blooms from May to frost, proving to be excellent in landscape. Very heat tolerant. From Stella de Oro' parentage.	16"	3 #1	7.99
Daylily	Hyperion	Lemon yellow self. Delightful fragrance.	40"	3 #1	7.99
Daylily	Joan Senior	Lightly ruffled, recurved, near white and branching. Winner of numerous awards & one of the most popular whites. Usually repeat blooms	25"	3 #1	7.99
Daylily	Lavender Stardust	One of the best lavender daylily. Clear lavender pink, heavily diamond dusted flowers with light pink midrib, a bright yellow halo and soft green throat are produced on heavily budded scapes. Sunfast. Vigorous grower. Outstanding foliage. Repeat bloomer.	26"	3 #1	8.99
Daylily	Pandora's Box	Rich cream, 4" blossoms with a striking violet purple eyezone above a bright green throat.	24-26"	3 #1	7.99
Daylily	Pardon Me	Fragrant cranberry red self with yellow green throat . Repeat blooms well . Voted the best miniature in 1985.	18"	3 #1	7.99
Daylily	Ruby Stella	Red petals that blend to a yellow throat that bloom fom mid summer to late summer.	28"	3 #1	7.99
Daylily	Siloame Double Classic	Highly acclaimed fragrant double pink. Full double rich pink blossoms are true works of art. Winner of numerous awards.	18"	3 #1	7.99
Daylily	Stella de Oro	Begins its display of gold flowers in mid-June and keeps flowering at a steady pace until fall if spent flowers are removed. Excellent rebloomer.	15"	3 #1	7.99
Daylily	Stella Supreme	Ever-blooming daylilywith a lovely lemon-chiffon yellow hue and long bloom season the exceeds that of Stella D'Oro. Is extremely drought-tolerant and does not require deadheading. The bloom is a pleasing citrus fragrance.	14-20"	4 #1	7.99

Daylily	Sunday Gloves	Graceful, innocent-looking blooms perfect for a moonlit garden. Near-white blossoms are highly fragrant with loosely ruffled tepals, a pale yellow eye, and tiny celery-green throat. Superior foliage and flower form. Very east to grow. Blooms all summer.	27"	3 #1	7.99
Daylily	Tiger Kitten	Radiant orange, completely sunfast flwers have a prominent dark red eye and showy orange anthers with black tips. Candleabra-branched scapes. Petite daylily perfect for containers.	22"	3 #1	7.99
Daylily	Hush Little Baby	On of the most heavily ruffled daylily you can grow! Romantic rose pink flowers display a narrow, lighter pink eye and midribs along with a flowing yellow-green throat. Flowers have a perfect form. Strong grower and a repeat bloomer.	22"	3 #1	8.99
Daylily	Stella Supreme	Breathtaking flowers bear yellow petals that blend into yellow throat. Perfect for massingin the border or naturlaizing woodland edges.	28"	3 #1	7.99
Delphinium	Pennant Dark blue/white bee	Large dark blue with white bee flower spikes . Self supporting 28-36" stems. Best to grow in smaller gardens , containers or windy areas.	28-36"	3 #1	5.99
Dianthus	Firewitch	Brilliant magenta, clove scented blooms top silvery-blue evergreen foliage. Low growing & spreading habit. Blooms heaviest in late spring followed by sporadic summer bloom.	7"-8"	3 #1	5.99
Dianthus	Raspberry Swirl	Young flowers have light pink petals with deep maroon edges. Petals whiten with age and edges change to deep magenta. Deadhead to promote reblooming. Blooms late spring thru fall.	6-8"	5 #1	7.99
Dianthus	Zing Rose	Rose-red flowers cover dense green foliage. Blooms begin in June and last well into the summer.	6"	3 #1	5.99
Elephant Ears	Black Magic	A spectacular black elephant ear that can reach 6 feet height. A great plant for containers, it is equally at home on the border or near the pond. Does best in moist soil.	up to 6'	8 8"	7.99
Fern (Aduantium)	Five FingerMaiden Hair Fern	Soft, fluffy fronds look delicate, but very hardy in moist, well drained soil.	12-30"	2 #1	5.99
Fern (Athyrium)	Ghost	Stunning silvery fronds that grow broad & tall. Rigid upright clump form. Rich moist soil.	24"-36"	#1	7.99
Fern (Athyrium)	Tatting	Dwarf unique ball-like pannaes.	12-16"	3 #1	7.99
Fern (felix-forma)	Lady in Red	Vibrant burgundy colors run throughout the stipe making this one of the most exciting perennial garden fern introductions to ever come along. Best in moist, well-drained, organic soil.	30"-36"	3 #1	7.99
Fern (pictum)	Japanese Painted	Fronds that are a silvery gray, almost metallic looking. Beautiful garnet-colored veins that extend to the tips of the leaflets lend a charming appearance. It grow best in a neutral to acidic soil.	12"-18"	3 #1	5.99
Fern (polystichum)	Christmas	Great addition to a shade garden. A hardy evergreen fern similar in appearance to Boston Fern. This ornamental fern is noted for its dark green, leathery fronds. Native to Indiana	18"-24"	4 #1	7.99

Filipendula	Kahome	(Meadow Sweet) Magnificent fluffy plumes of hot pink on dark green ferny foliage. Likes moist area.	12"	3 #1	7.99
Forget-Me-Not	Bobo Blue	(Myosotis) Dwarf plants that bloom intensely blue sweet scented flowers in May on mounded medium green foliage.	6"	4 #1	5.99
Foxglove	Foxy	Spikes covered in cheerful bells in shades of white, yellow, and red.	30"	3 #1	5.99
Gaillardia	Fanfare	This new introduction is one of the best new flowering perennial we've seen in years. Trumpet flower form, brilliant scarlet & yellow. Multiple buds on each stem. Booms May-frost.	18"- 24"	3 #1	7.99
Gaillardia	Lo Gro	(Blanket Flower) Flower scarlet red, deep mahogany center, circled with bright yellow. Ideal for mixed containers or perennial borders.	8"	3 #1	5.99
Geranium	Rozanne	Blooms June-Oct. large deep blue flowers. Heat tolerant. Foliage turns reddish-brown in fall for added interest.	20" x 30"	5 #1	7.99
Geum	Cooky	(Avens) Unique orange blooms on slender stalks above rosettes of shiny, rich green leaves. Planted in mass their color impact a can be seen from quite a distance.	24"	5 #1	5.99
Grape	Catawba	Red		#1	7.75
Grape	Concord	(The best blue variety) The concord variety has the true grape flavor and has been planted for a century. It is hard to beat for home gardeners or commercial sales. It is a late ripener. Used for wine as well as juice and jelly.		5 #1	7.75
Grape	Concord Seedless	Blue Grapes are smaller than regular concord and will have an occasional seed. The flavor is the same as regular concord but slightly sweeter. This grape is excellent for pies, jams, jellies and wine. Once the vine becomes established it shows improved v		5 #1	9.75
Grape	Niagara	Best white variety. This white grape ripens mid-season and produces an abundance of clusters of large flavorful fruit. Great for juice, wine & eating.		#1	7.75
Grass (Annual)	Purple Fountain	Red Annual grass that is stunning for summer color	12"- 24"	#1	6.99
Grass (Calamagrostis)	Brachytricha	Showy blooms open with a strong purple red tint. Moist well drained soil. 4' tall.	4'	4 #1	8.99
Grass (Calamagrostis)	Karl Foerster	A compact, clumping ornamental grass with dark green foliage crowned with stiff, tawny flower heads from spring through winter. Moist well drained soil. 2001 Perennial Plant of the Year.	3'-4'	4 #1	8.99
Grass (Calamagrostis)	Overdam	(Variegated Feather Reed Grass) Foliage starts out bright creamy margins that fade to white with a pink flush. Sand colored heads. Nice clumping habit. Blooms early summer.	3-4'	5 #1	8.99

Grass (Carex)	Blue Zinger	An excellent ground cover. Steel blue clumps of foliage create a sea of blue when planted in mass.	10"	5 #1	8.99
Grass (Carex)	Evergold Sedge	(Variegated Japanese Sedge) Fantastic foliage, striped dark green & creamy gold. A dramatic weeping habit. 10" tall.	10"	5 #1	8.99
Grass (Fescue)	Festina	Bluish green foliage with small flower panicles, 20". Nice blue color	20"	#1	8.99
Grass (Miscanthus)	Little Kitten	Dwarf Maiden Grass. A petite miscanthus, forming a mound of narrow green, foliage topped with plumes in late summer and fall. Cute as a kitten won't grow into a cat.	15"	5 #1	8.99
Grass (Miscanthus)	Little Zebra	To see it is to love it! A superb, dwarf version of original 'Zebrinus' with strong horizontal gold banding. Reddish-purple plumes appear in August 3-4' tall.	3-4'	5 #1	8.99
Grass (Miscanthus)	Maiden (Graziella)	Green foliage is fine and narrow with very attractive blooms held high above the foliage. The blooms open rather early in August and foliage turns reddish-orange in fall. Prefers well-draining soil.	5-6'	5 #1	8.99
Grass (Miscanthus)	Morning Light	Variegated Maiden Grass. It is a compact grower. Its leaves are narrow & its form neat & arching. Its blooms are reddish-bronze appearing as late as Oct. Noticeable white-edged variegation.	3-5'	5 #1	8.99
Grass (Miscanthus)	Silver Feather (Silberfeder)	Large, feather seed heads rise high above the foliage. Its deep green foliage has a distinct silver midrib & a gracefully arching shape. Prefer well drained soil.	6'-7'	4 #1	8.99
Grass (Miscanthus)	Zebra	Leaves are banded variegation of golden-yellow bars. Foliage habit is more arching the upright. Blooms appear in Sept & emerge pinkish-copper. Prefers well drained soil.	8'	5 #1	8.99
Grass (Panicum)	Heavy Metal (Switch)	Metallic blue foliage form an upright clump, very erect. Pinkish blooms are airy & attractive from summer through winter. Foliage height 3'-4' & bloom height 4'-5'. Turns bright yellow in the fall.	5'	4 #1	8.99
Grass (Pennisetum)	Cassian (Fountain)	Narrow, green leaves form a soft arching mound. Its seed head are green in summer, becoming golden color with red-orange tints in fall, resembling large foxtail. Prefers well drained soil.	3'	4 #1	8.99
Grass (Pennisetum)	Karley Rose (Fountain)	Its foliage is deep green & arching. Blooms resembling large foxtail, but in striking rose-pink color. Prefers well drained soil	2'-3'	5 #1	8.99
Grass (Pennisetum)	National Arboretum	Black bottle brush flowers are consistently held high above this rich green mounded grass. Wide blades add to the beauty of this late blooming penisetum.	24"	5 #1	8.99
Grass (Phalaris)	Strawberries Cream	A very attractive cultivar of ribbon grass. During cool seasons, its foliage becomes blushed with pink. 2-3' tall.	2-3'	4 #1	7.99
Helenium	Helena Red	(Sneeze Weed) Multitude of small daisy-like blooms cover a well branched plant. One of the best native perennials for late season color. Great for cutting	28"	3 #1	5.99

Helianthus	Low Down	(Perennial Sunflower) Simply gorgeous, masses of bright yellow flowers on top a dwarf plants that bloom during the summer.	12"	3 #1	7.99
Heliopsis	Lorraine Sunshine	Variegated leaf form. White leaves with green veins turn somewhat darker late in the season. Large golden-yellow daisy like flowers from July to frost on erect, loosely branched plants.	30"	3 #1	7.99
Heliopsis	Summer Sun	3" bright yellow daisy-like flowers bloom over a long period in the summer.	36"	3 #1	5.99
Hen & Chicks	Assorted	Succulent rosettes. They grow in a wide variety of soils, but should have well drainage. Used in perennial borders, groundcover, edging, containers & rock gardens.	2"-8"	4 #1	5.99
Hibiscus	Fireball	Fine textured dissected foliage with a glowing purplish blush. Compact, rounded form, sturdy stems with red veining. 12" burgundy red flowers in late summer.	4'	4 #1	7.99
Hibiscus	Southern Belle Mix	A mix of red, rose, pink, or white colors. Huge blooms up to 10" across in late summer on tall thick stems	4'-5'	5 #1	5.99
Hollyhock	Charters Double	Double hollyhock flowers. A great mix of color that will take you back to a different time			
Hollyhock	Ficifolia	Big, single flowers in shades of copper, pink, red, rose, yellow and white.	6'	5 #1	5.99
Hollyhock	Summer Memories Mix	Single flowers in a wide range of colors with an emphasis on light yellow. The 7-lobed foliage stays fairly clean & healthy. These plants are more resistant to leaf rust than most hollyhocks.	6"	5 #1	5.99
Honeysuckle	Goldflame	Fast growing deciduous vine with large oval leaves & clusters of fragrant, brilliantly colored flowers beginning in June & continuing through summer. Train as espalier or on a fence.	up to 20'	4 #1	9.99
Hosta	Albo Marginata	Large hosta, makes handsome clumps of large green leaves edged with broad bands of white. Lavender flowers in July.	15" x 30"	3 #1	7.99
Hosta	Allan P McConnell	An excellent hosta for the path edge or in a container. Dark green oval leaves with irregular fine white to creamy margin. Very sun tolerant. Purple flowers from June-mid-July. Vigorous grower.	12" x 18"	3 #1	7.99
Hosta	Aureo Marginata	A medium-sized Hosta with dark green leaves framed in rich, gold edges. Lavender flowers bloom in mid-summer. Excellent edging plant.	27" x 48"	3 #1	7.99
Hosta	Blue Angel	Large blue-green leaves of heavy substance form a huge mound. White flowers. Excellent slug resistance.	Giant 36"/48"	3 #1	7.99
Hosta	Diamond Tiara	A sport of Golden Tiara with medium green leaves and crisp white, slightly wavy margins. This variety grows rapidly, forming neat	Medium 14"/27"	3 #1	7.99

Hosta	Francis Williams	A large Hosta with round, crinkled blue leaves edged in gold. Leaves get larger with age. White flowers bloom in mid-summer. Excellent specimen plant.	Large 22"/30"	3 #1	7.99
Hosta	Great Expectation	Thick, puckered leaves with wide irregular, blue green margins. Creamy yellow to white centers with green jetting towards the center. White flowers. Has won many awards.	Large 20"/24"	3 #1	7.99
Hosta	Krossa Regal	Foliage is frosty blue. Upright leaves with lavender flowers in July-Aug.	Giant 40"/48"	3 #1	7.99
Hosta	Minuteman	Similar in appearance to Patriot, a medium sized hosta with heavy substance. A dark green center and creamy white border that is somewhat cupped. Pale lavender-striped flowers.	Medium 18"/24"	3 #1	7.99
Hosta	Patriot	The 1997 Hosta of the Year; this outstanding medium-sized Hosta has dark green leaves that are sharply contrasted by bold white edges. Lavender flowers. Has good sun tolerance.	Large 22"/30"	3 #1	7.99
Hosta	Regal Splendor	A sport of Krossa Regal with the same vase shape. Frosty blue leaves with wavy, narrow, creamy yellow margins. Lavender flowers. Has won many awards.	Giant 36"/60-72"	3 #1	7.99
Hosta	So Sweet	Shiny deep green leaves with creamy yellow margins changing to white. Excellent grower. Fragrant white flowers on 28" scapes in August.	Medium 16"/28"	3 #1	7.99
Hosta	Twilight	This spellbinding Host is a sport of Aureo-marginata but is notably improved characteristics, such as larger leaves, wider variegation and much heavier substance.	Large 22"/30"	3 #1	7.99
Hosta	Vim & Vigor	A sport of Sum & Substance. Huge leaves measure up to 20" wide. They emerge blue-green, then change to shiny, dark green. Lavender flowers are produced in abundance on very tall scapes.	Giant 36"/60"	3 #1	7.99
Hosta	Wide Brim	Large hosta with heart-shaped blue green leaves with broad yellow margins. Leaves are heavy in substance with a puckered texture. White flowers June-Aug.	Medium 16"/24"	3 #1	7.99
Hosta	August Moon	A large Hosta with white flowers in mid-summer and rich gold, heavily crinkled, rounded leaves that hold their color well all season long.	Large 20"/24"	3 #1	7.99
Hosta	Fire and Ice	Medium-large hosta with heart shaped leaves with white center & broad dark green margins. Lavender flowers.	Medium 20"	3 #1	7.99
Hosta	Francee	A medium-sized Hosta with dark green, heart-shaped leaves with a distinct thin white edge. Lavender flowers bloom in mid-summer. Outstanding in mass plantings.	Medium 14"/30"	3 #1	7.99
Hosta	Gold Edger	Small, neat, rounded gold leaves. Lavender flowers on 18" scapes. Good edging or groundcover.	18"	3 #1	7.99
Hosta	Gold Standard	A large Hosta whose leaves emerge green in spring but gradually changes to a lovely gold. Pale lavender flowers on 24" scapes in mid-summer.	Large 20"/30"	3 #1	7.99

Hosta	Spilt Milk	Unique variegated foliage, slug resistant, off white bell shaped flowers.	14-22"	3 #1	7.99
Hydrangea (Climbing)		This climbing vine has lush, round dark green foliage. Very showy scrambling up against a tree or on fencing. Clusters of fragrant flowers and showy white bracts in early summer.	75'	5 #1	5.99
Ice Plant	Purple	Ground cover with purple flowers in summer through the fall. Succulent leaves & needs good drainage. Drought tolerant.	6"-8"	6 #1	5.99
Iris	Gipsy Romance	Large ruffled mulberry self, blue-purple beards that reblooms.	30"-40"	3 #1	5.99
Iris (Bearded)	Clarence	Pale blue standards and flaring, ruffled, violet-blue falls with large, white beards. Well-branched with 7-10 buds each. Highly recognized for its dependable rebloom. Sweetly fragrant.	35"	3 #1	5.99
Iris (Pallida)	Albo Variegata	('Zebra') Green & white variegated foliage. Lavender-blue flowers in early summer. Very attractive problem free Iris. Needs well-drained soil & full sun.	28"	5 #1	5.99
Iris (Pallida)	Aureo Vaiegata	Fragrant lavender-blue flowers. Wide bluish-green and gold striped foliage that stays in shape most of the year. Very attractive problem free Iris. Needs well-drained soil & full sun.	22"-28"	4 #1	5.99
Ivy	English Ivy	A large leafed ivy that performs well in both sun and shade. Will cling to any surface.		5 Flat	48
Jacob's Ladder	Heavenly Habit	Large blue flowers with yellow halo & white eye. Fragrant. Glossy leaves that are distinctively divided of delicate leaflets are displays as a ladder effect on either side of the stems. Cut back for rebloom.	20"	4 #1	5.99
Lambs Ear	Silver Carpet	A rarely blooming perennial, low maintenance & with uniform habit. Soft, woolly silver-gray foliage with the texture & shape of a lamb's ear. One of the best plants for edging.	8"-10"	4 #1	5.99
Lamium	Beacon Silver	Showy silver-white foliage with scalloped blue-green margins. Lavender-pink flowers. Good groundcover for shade. Attracts hummingbirds.	4"-8"	3 #1	5.99
Lamium	Orchid Frost	Orchid flowers and clean, silver leaves with green margin. Foliage tends to be more disease resistant.	6-10"	4 #1	5.99
Lamium	White Nancy	Silver-white leaves with green margin. White flowers in spring. Groundcover for shade	4"-8"	3 #1	5.99
Lavender	Munstead	Best lavender for winter hardiness! A strain of English lavender with a compact, bushy habit. Nice range of bloom colors , from pale blue to dark violet. Survives better when mulched over winter.	15-18"	5 #1	5.99
Lewisia	Sunset	Flowers color white to carmine on an evrgreen plany. Great for rock gardens. Place in well drained soil>	4-6"	#1	5.99

Liatrix	Kobold	Sparkling lavender flowers uniformly cover the stately spikes on a robust dwarf plant. Blooms June-July Flowers spikes open from the top down. Can use as a cut flower.	20"-24"	3 #1	5.99
Lily of the Valley	White	Fragrant bell-shaped white flowers in May. Evergreen leaves.	6"-8" x 8"-12"	2 #1	5.99
Liriope	Big Blue	Evergreen ground cover. Thin, dark upright foliage spreads by underground stolons. A thick mass ideal for erosion control. Competes against tree roots in shade. Edging & borders.	12"-15"	4 #1	5.99
Liriope	Variegated	Relatively wide, grass-like leaves are striped green & yellow. A clump former. Produces lilac purple flowers similar to grape hyacinths. Drought tolerant.	10-15"	5 #1	7.99
Lupine	Russell Hybrid	Colorful mix of red, purple, yellow, blue and pink & bi-colored. Grows into well established clumps, with several stems rising up out of a single base.	30-36"	4 #1	5.99
Malva	Fastigiata	(Hollyhock mallow) Masses of soft pink 2 in wide bowl shaped flowers are borne on tall stems. This variety has ascending branches with a neater outline than the species. Heat and drought tolerant.	3-4'	4 #1	5.99
